The product must have been used in accordance with applicable operating instructions and in the intended environment or setting.

The product must not have been subjected to misuse, abuse or accident. Medtronic, in its sole discretion, determine whether the product is field serviceable. If field serviceable and located within 100 miles of a Medtronic service location, warranty service will be provided by Medtronic at the Purchaser's facility during normal business hours. If not field serviceable or if the product is located outside of such areas, all products and/or assemblies requiring warranty service should be returned to a location designated by Medtronic, freight prepaid, and must be accompanied by a written, detailed explanation of the claimed failure.

**Any legal action arising from the purchase or use of Medtronic products shall be commenced within one year from the accrual of the cause of action, or be barred forever. In no event shall Medtronic liability under this warranty or otherwise exceed the greater of \$50,000 or the purchase price of the product giving rise to the cause of action.**

Products are warranted in conformance with applicable laws. If any part or term of this Limited Warranty is held to be illegal, unenforceable or in conflict with applicable law by any court of competent jurisdiction, the validity of the remaining portions of the Limited Warranty shall not be affected, and all rights and obligations shall be construed and enforced as if this Limited Warranty did not contain the particular part or term held to be invalid. Some US states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This Limited Warranty gives the user specific legal rights. The user may also have other rights which vary from state to state or country to country.
